Ms. Carol Springer
7228 Turkey Run Drive
Fort Wayne, IN 46815

Dear Ms. Springer:

Enclosed are maps to help you find the location of
Grave # 206, Block 35, Section T.

If you enter the cemetery from Sheridan Road you will make a left turn at the first north/south road to go to Section Z. A left turn will take you past Z to Section T. Look for an angel between two evergreen trees. That is at the corner of Section Z. About 35 feet west should place you at block 35.

There are round cement markers in the ground with the block in the middle and the lot or grave at the top and bottom. Block is abbreviated "BL" or "BLK".

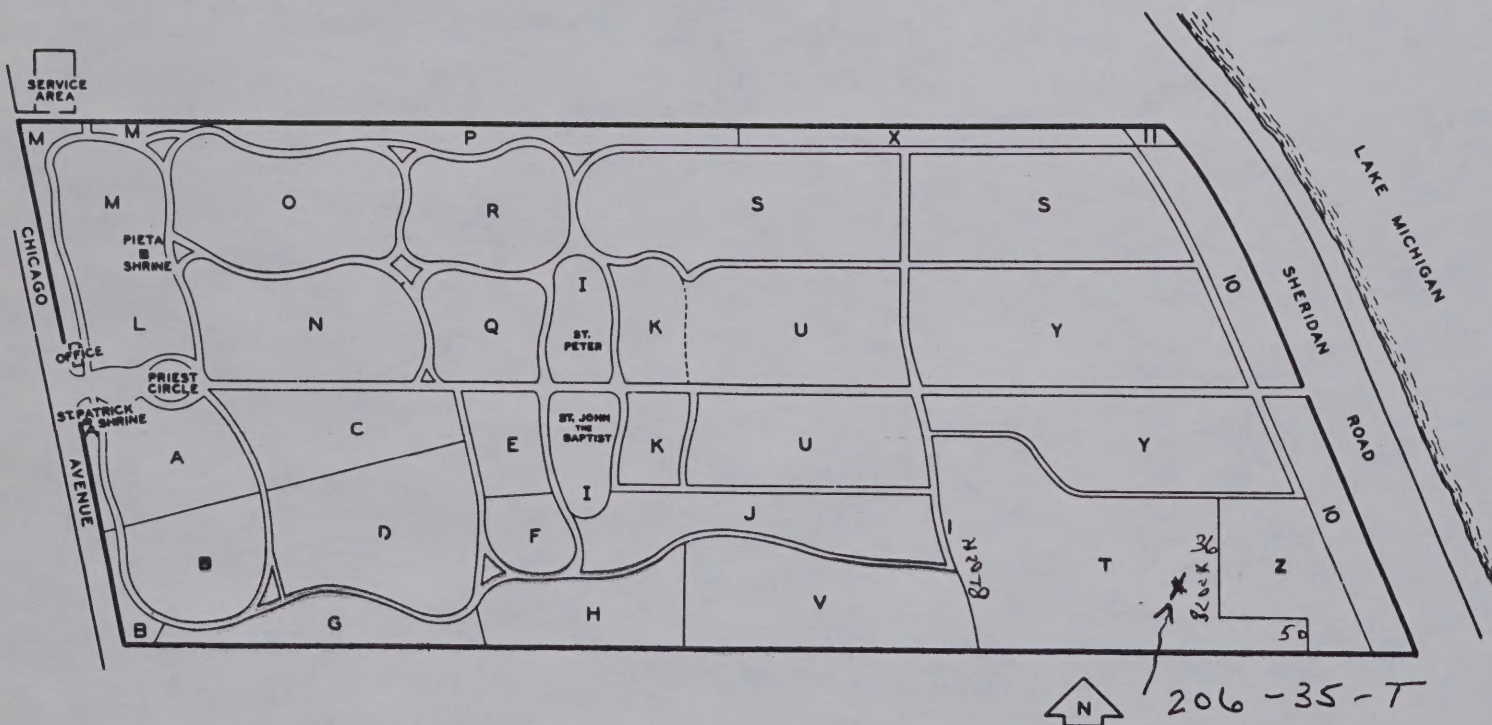

I hope this is helpful.

Sincerely,

Thomas Berry

"Grant, O Lord that those who have been buried here may rest confident in the hope of Thy Resurrection" . . . from the prayers for the consecration of a cemetery.

MEMBER NATIONAL CATHOLIC CEMETERY CONFERENCE

Family and friends who have a loved one buried in one of our Catholic Cemeteries should find consolation in the prayerful environment within our cemeteries. Each year those interred in our Catholic Cemeteries are remembered in more than 2,000 Masses and in a special Mass every Memorial Day. Those who are buried in our Catholic Cemeteries benefit as well from the daily prayers of the cemetery staffs and of all who visit the cemetery.

Calvary
John Carson
